**I'll Go With You (English Translation)**

When I'm alone  
I dream on the horizon  
and words fail;  
yes, I know there is no light  
in a room where the sun is absent,  
If you are not with me.

At the windows  
show everyone my heart  
Which you set alight;  
enclose within me  
the light you  
encountered on the street.

I'll go with you  
to countries I never  
saw and shared with you,  
now, yes, I shall experience them.

I'll go with you  
on ships across seas  
which, I know,  
no, no, exist no longer;  
with you I shall experience them.

When you are far away  
I dream on the horizon  
and words fail,  
and, yes, I know  
that you are with me;  
you, my moon, are here with me,  
my sun, you are here with me.

I'll go with you,  
to countries I never  
saw and shared with you,  
now, yes, I shall experience them.

I'll go with you  
on ships across seas  
which, I know,  
no, no, exist no longer,  
with you I shall experience them again.

I'll go with you  
On ships across seas  
which, I know,  
no, no, exist no longer;  
with you I shall experience them again.

I'll go with you,  
I with you.
